ASTRONOMICAL OBSERVATION ON MOUNT TEIDE

We will enjoy Tenerife's impressive starry sky with our Starlight guides, you will unravel its mysteries, and you will learn how to guide yourself thanks to the sky. You will also discover the elements of Greek mythology that hides behind the constellations and the relationship between them.

CLOSER TO THE STARS WITH OUR PROFESSIONAL TELESCOPES

Thanks to our state-of-the-art telescopes, you will discover objects such as planets, galaxies or clusters as you have surely never seen before. You will be able to use these machines to take a tour through the night's most interesting celestial objects. In addition, our monitors will provide you with relevant information about the objects that you will see through the lens.

We are sure that the astronomical instrumentation, along with the quality and transparency of our sky, will give you a unique experience.

FULL MOON NIGHTS

When the full moon is so bright that the distant stars are hard to see, you can observe the moon's spectacular details, its mountain ranges, craters, and other wonders.

OBSERVATIONS

Children under 8 cannot participate in this activity.

CONTINGENCY PLAN

In the event that the access roads to Teide are cut off due to weather conditions, the activity will be postponed or cancelled, in which case its cost will be modified accordingly.

In the event that weather conditions impede or hinder proper visibility of the stars, the Customer may choose between:

OPTION 1: An activity carried out at the Planetarium.

OPTION 2: Cancellation of the activity at least 4 hours in advance. Full refund of this part of the activity.
