- Guided tour to the Pico Viejo viewpoint.
- Stargazing with long range telescopes.

WHAT'S NOT INCLUDED

- Food and drinks.
- Access for people with physical disabilities.

MOUNT TEIDE AT SUNSET – JUST FOR YOU

You will enjoy the spectacular volcanic landscapes that the Teide National Park is famous for while the sun is setting. The arrival of dusk gives the area a warm glow, which allows you to appreciate subtle differences in the landscape that you don't get to see during sunlight hours.

THE TEIDE CABLE CAR IS ALL YOURS ON THE SUNSET TOUR

Can you imagine what it must be like to reach an altitude of 3,555 m in your own private cable car?

Well, you don't have to imagine it any longer because, with the Sunset Tour, this dream can become a reality! The Teide Cable Car will operate exclusively for your private group.

You will fly over craters and lava flows just before dusk. Can you imagine the astonishing views at this time of day?

SUNSET TOUR IN THE SHADOW OF MOUNT TEIDE

This is one of the best places to observe the formation and evolution of the shadow of Mount Teide, thanks to its height and due to the fact that the views from its summit extend to all horizons.

Teide's shadow cast towards the island of Gran Canaria is one of the greatest spectacles that the volcano has to offer.

MARVEL AT THE UNRIVALLED SUNSET FROM PICO VIEJO ON THE SUNSET TOUR

At sunset, this trail acquires a beautiful array of colours that will be sure to leave you speechless.

And to bid farewell to the Sunset Tour, when the weather permits, you will enjoy a picture-perfect sunset with the islands of La Gomera, El Hierro and La Palma on the horizon, and the impressive Pico Viejo crater, which is 800 m in diameter, at your feet.

SUNSET TOUR

ASTRONOMICAL OBSERVATION ON MOUNT TEIDE

We will enjoy Tenerife's impressive starry sky with our Starlight guides, you will unravel its mysteries, and you will learn how to guide yourself thanks to the sky. You will also discover the elements of Greek mythology that hides behind the constellations and the relationship between them.

SCHEDULE

2 hours and 40 minutes before the sunset: Departure from the hotel for a tour with stops at main viewpoints and description of the landscape.

1 hour before the sunset: Arrival at the Cable Car's base station, where you will have time to go to the bathroom.

50 minutes before the sunset: Ascent by Cable Car to the upper station (La Rambleta).

40 minutes before the sunset: Arrival at La Rambleta, where you will be received with a glass of Canarian sparkling wine whilst beholding Teide's shadow cast towards the island of Gran Canaria.

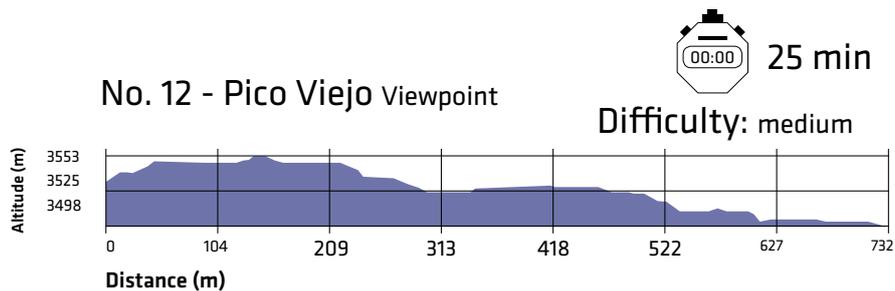

25 minutes before the sunset: Entering the trail to the Pico Viejo viewpoint (750 m, approx. 15-20 min) to watch the sunset.

Sunset.

5 minutes after the sunset: Return to the base station.

40 minutes after the sunset: Departure back to the hotel.

2 hours and 10 minutes after the sunset: Approximate time of arrival at the hotel and end of the activity.

OBSERVATIONS

The ascent is not recommended for people with heart problems or pregnant women due to the risk that high altitude poses to their health. Consult your doctor before planning your visit. Children under 8 cannot participate in this activity.

In the event that the cable car cannot be used for safety reasons, due to weather conditions or technical issues, we offer you a guided tour of the Roques de García trail. Watching the sunset from a National Park viewpoint. The cost will be adjusted.

In any case, the schedule will be modified in order to complete the rest of the programme.

CONTINGENCY PLAN

In the event that the access roads to Teide are cut off due to weather conditions, the activity will be postponed or cancelled, in which case its cost will be modified accordingly.

In the event that the trail from La Rambleta to the Pico Viejo viewpoint is closed due to snowfall, we will skip the walk up to the viewpoint and enjoy Teide's shadow and the sunset from La Rambleta.
